

rejuvenating serum

This epidermal growth factor (EGF) serum helps to minimize the appearance of fine lines and wrinkles, and leaves skin glowing. This blend of EGF, botanicals and antioxidants is formulated for those with aging skin.

before

Condition: fine lines, wrinkling and dehydrated skin around the eyes.*

after

Solution: received three Ultra Peel® I and Ultra Peel® II treatments and used Facial Wash, ExLinea® Peptide Smoothing Serum, Rejuvenating Serum, A&C Synergy Serum, Hydrator Plus SPF 30 and Collagen Hydrator over a three-month period.*

*Photos not retouched.

Key ingredients:

Epidermal Growth Factor (EGF) – helps minimize the appearance of fine lines and wrinkles.

Tocotrienols and Tocopherol (Vitamin E) – is an excellent antioxidant that prevents free radical damage.

Bisabolol – is one of the principal active compounds found in chamomile. It calms and soothes the skin.

Epigallocatechin Gallate (EGCG) – is one of the principal active compounds found in chamomile. It calms and soothes the skin.

Glutathione – is an endogenous antioxidant that is produced naturally by the body.

Grape Fruit Cell Extract – is an antioxidant from the stem cells of grapes.

Directions for use: after cleansing and toning, apply one to two pumps to entire face and neck twice daily for maximum results. Follow with the appropriate PCA SKIN® broad spectrum SPF product in the daytime and moisturizer in the evening.
